*New Visions, New Pathways, New Possibilities*

*Mr. A. Robert Gregory*  
*Acting Superintendent of Schools*

---

Dear Hillside Public Schools Community Members,

In the event of a school closure prior to Monday, March 16, 2020, teachers and staff members will continue their job responsibilities remotely. Transitioning to online instruction is a significant adjustment for everyone in Hillside Public School District.

Minimizing the disruption to our students is our top priority. All student instructional packets will be available on the district website with instructions on how to access materials. All staff will be available through district email.

Our goal is to ensure instruction can be delivered in an equitable manner. We will monitor this fluid situation with daily updates on the district website.

Thank you for your cooperation and understanding during this time of uncertainty. Please contact me at my email address [rgregory@hillsidek12.org](mailto:rgregory@hillsidek12.org) if you have any questions or concerns.

Sincerely,

A. Robert Gregory  
Acting Superintendent of Schools
